SUBMISSION OF SEQUENCE LISTING

Assistant Commissioner of Patents & Trademarks  
Washington, D.C. 20231

Dear Sir:

A paper copy and a computer readable for (CRF) of a sequence listing are submitted herewith to place the application in compliance with U.S. regulations. I believe that the sequences in the two forms of the sequence listing are identical and add no new matter to the application. It is asked that the specification be amended to add the sequence listing.

Respectfully submitted,

  
Sarah A. Kagan
